

## Apply for an economic operator registration and identification (EORI) number

You will need an economic operator registration and identification (EORI) number if you move products into or out of the EU, including in the UK. After Brexit all movements to and from the EU will be treated as imports or exports and, if the UK leaves the EU without a deal, all post-Brexit trade in goods with the EU will require an EORI number.

You can apply for an EORI from HMRC online. <https://www.gov.uk/eori>
